'THIS WON'T HURT' by Edward Samson, F.D.S., R.C.S. Eng. 8½ x 5½ in. 48 pages illustrated.

**Publisher:** Oral Topics Ltd., P. O. Box 2AD, 26/40, Broadwick Street, W.1., England.

**Price:** \$2.50

It might be said that EDWARD SAMSON is dentistry's Mark Twain; his latest book, "THIS WON'T HURT" will however, appeal to both dentist and patient, and be welcome on the reception room table.

For nearly 40 years Edward Samson, practitioner in England's Bournemouth, has been recording the dental scene, humourously and seriously with pen and pencil, and always with some of the reformer's zeal, though lightly concealed beneath his gentle wit.

During that time he has contributed his essays, without break, to every issue of the British journal, 'The Dental Magazine and Oral Topics', and continues to do so to the amusement of his numerous readers in many countries. This extremely witty book of verse on every aspect of doctor/patient relationship, is a gem of its kind. The dental profession and the public will relish both its humour and the author's gay illustrations.
